

1. INT. GYM LOCKER ROOM - NIGHT.

RADIO ANNOUNCER (VOICE OVER)  
Ray 'The lightning' Bridges is  
down and holding his hand. I think  
he is hurt, he can't continue.

RAY, 25, is BANDAGING his right wrist while sitting on a  
STOOL.

2. INT. RAY'S KITCHEN - DAY

RAY has a water bottle in his hands. He tries to open it, but  
the bottle slips and falls to the ground. He feels a strong  
pain in his thumb. He sits on the kitchen floor, leans on the  
kitchen cabinet. He can't understand why this is happening to  
him.

3. INT. RAY'S GARAGE - DAY.

RAY is training. He got his gloves on and punches the reflex  
bag as if he was never hurt. One punch after the other, the  
tension rises, something is wrong, until... POW! He hits it  
and feels an immense pain in his hurt finger. RAY holds his  
hand in extreme pain and falls to the ground in anger.

4. EXT. BOXER'S CAR - DAY.

RAY is leaning on the car just looking at the graveyard.  
Trying to clear his head, but he can't.

CUT TO

Inside the car, sitting on the driver's seat car. He turns  
the radio on.

RADIO ANNOUNCER  
Yeah I don't think Ray is gonna be  
able to make it. From what I heard,  
he is not taking his rehabilitation  
seriously. And if he isn't ready by  
next week, the fight is not  
happening...

RAY turns off the radio, starts to punch the car wheel and  
SCREAMS in rage.
